

Connectivity

Fixed LTE

1

Fibre-like speeds

Where Fibre is not yet available, access the Internet at high speed.

2

Simple to Install

Plug & Play your SIM into the router and you're connected!

3

No Long Contracts

All packages are available month-to-month

4

Anytime + Night Surfer Data

Anytime Data available all the time.
Night surfer data from midnight to 07:00

5

Don't Waste Data

Unused Anytime data rolls over to the next month.

Add an LTE router for R66.99 pm*
